Reminders Please **arrive 15 minutes before the start of each practice or game** for the kids to warm-up and greet their friends so that soccer can start on time. On Saturdays, we appreciate help from parents with set-up and on the field, please come and offer. Please note that this schedule may change during the season.

Philosophy We run multiple sessions per week because we understand that kids this age have many interests and may not be available for every training session. We use a set curriculum that builds on soccer basics as the season progresses and do encourage players to make as many sessions as possible. The sessions run exactly one hour and we strongly request that players do not arrive late as it hurts the organization of the group when numbers shift after breaking the kids into groups. Our goal is to help your player love the game and gain the skills needed to be successful going forward.

EDP Travel Older (or more advanced players) play in the NH Soccer League under our travel club Hampshire United SC. These players were part of an assessment and have been placed on rosters. If your U9 or U10 player is interested in travel soccer, you can find more information on these teams at www.hampshireunitedsc.com. You can send an inquiry to admin@hampshireunitedsc.com or touch base with the lead EDP coaches during the season.
